

APRIL 1ST 2025

NEW FIREARM TRANSFER STORAGE FEE.

The new **6.5% tax** that was voted into by the state will take effect **April 1st, 2025**.

Because of the new law we will be implementing a new **STORAGE FEE** for all Firearm Transfers. We will be charging **6.5% STORAGE FEE** based off the cost of the **FIREARM** that you purchased on line.

EXAMPLE

If you paid **\$500.00** for the firearm online you will have a **STORAGE FEE** of **\$32.50**.

Each **FIREARM** will have a different **STORAGE FEE** amount per the cost of the **FIREARM**.

The **\$30.00 Transfer fee per firearm** and the **\$15.00 background check fee** are still the same.
